Competitive Analysis Worksheet

1. Your Unique or Competitive Advantages

Why will customers buy from you instead of other options?

2. Direct Competitors List who provides essentially the same product/service.

Name	Their Strengths/Weakness	Your Advantage

3. In-Direct Competitors List who solves similar needs or problems.

Ex: Netflix is an indirect competitor to traditional movie theatres. So who can 'spend' your customer's money that otherwise would have been spent on your business offerings?

Name or Description		

4. Online Competitors Regardless if you have an online business or not, list online options that might solve your customer needs or provide links to competitors.

Website	Description

5. Non-Traditional Competitors Consider nonprofits, government agencies and volunteers that might satisfy customer needs. Ex:K4 classes compete with childcares. Free/low cost parks programs offer yoga classes and financial planning. Colleges offer engineering, marketing, software services.
